

**Designer:** Rebecca Buchan. **Company:** Denton House, Salt Lake City, USA. Denton House Design Studio has created an identifiable brand in the private community/resort sector, that is symbolic of world class facilities with unmatched amenities and casually elegant service standards. Current projects include the planning and design of a private seaside resort in Portugal, interiors for several custom homes in Cabo San Lucas and the development of a remote island resort in Madagascar. Recent work includes an exclusive spa in Jose Del Cabo, a clubhouse and spa at a members only ski club in Whitefish Montana and expansive family residences in Las Vegas, Nevada. **Design philosophy:** listen to your client, remember the basics, go beyond expectation.
